This event is a 'self-handicap'. Each shooter must nominate a handicap before they commence shooting.

**However, be warned!** You will be penalised by 2 points for every one you over-shoot.

For example, your total score will be out of 75 (15 shots).

If you think you will shoot a 70, you may nominate a handicap of 5.

However, if you shoot a 73, your final score would be  $73+5=78$ , over-shooting by 3 shots.

After applying the penalty, this would leave you with a final score of  $75-(3 \times 2)=69$ .

Members select a prize from the table in order of their final scores.

**GOOD SHOOTING!**
